My dear Sir

I see that you have advertised a sale of
Mr. Charles Geyer's collection of Missouri and Illinois plants
in six dollar lots of 150 plants each - and as I am
anxious to procure good specimens of plants of that region
I would wish to know whether the sets are all alike
^{made up of} or different plants. In case the set of 150, contains
specimens of all the plants in the collection you will
please consider me a subscriber ~~to~~ that extent and
send me on the package to the care of Messrs. Wiley &
Putnam New York to whom I shall remit the amount;
but should the sets be made up of different plants I
should like to make a selection for myself before I
~~had~~ my lot was sent on to N. Y. - In any case
consider me a subscriber, entitled to a choice accord-
-ing to the present date of my subscription.

I ~~am~~ also intend to subscribe to the Texian
collection of Mr. _____ & to one of the Rocky Mtn
collections, but shall send in my name to Dr. Gray of
